

## Internship Programme of German Business

# Shape the Future

Become part of our Internship Programme of German Business & support your future leaders

- ▶ The Internship Programme of German Business offers you an unique opportunity to discover and train young talents through internships. Benefit from the 3 to 6-months training period to prepare students and graduates specifically for employment in your subsidiary or partner company in the Countries of the Western Balkans and Croatia.
- ▶ Your participation supports the development of strong specialists for the region, contributes to the establishment of a cross-regional network and strengthens regional co-operation to ensure a vibrant democratic society.
- ▶ You gain access to our exclusive talent pool of seniors and juniors who, thanks to regular further training in our regional alumni network, are among the decision-makers in the region and represent your interests in economic stability and prosperity.
